

Clover Preschool News

September 2023

WELCOME! All new and returning families! We are ready for another exciting school year here at Clover Preschool! Themes this month are: Making new Friends, Learning the "Zones" of Regulation, Rules & Routines, Caterpillars & Butterflies, The letter Aa, and Apples! Attached you will find our September calendar and School Calendar (please note the days we are closed now, so there are no surprises when they creep up on you) along with our health policy. The monthly calendar is subject to change anytime due to unexpected "teachable moments" ☺ We will try to update you on Brightwheel if this happens.

Housekeeping Items:

Tuition rates are increasing this year. The new rate sheet is attached. Invoices on Brightwheel have been updated to reflect this change. You will notice an extra week (5 weeks vs. 4) as your invoice includes the week of 8/28-9/1. You will also notice an additional charge of \$30.00 for the annual Technology fee for Brightwheel. All invoices are expected to be paid in full by the 10th of every month.

This is a great time to update your child's emergency contact information and health records.

Please continue to sunscreen your child before school. We will no longer be running the sprinkler as of 8/28 so bathing suits and towels are no longer needed. We will offer water play experiences, so a change of clothes is vital!

Just a reminder that we will not be able to heat up lunches as we typically picnic outdoors. Please send a thermos to keep your child's lunch warm if needed. Because we are a 5,2,1,0 school, we do not serve juice. Water bottles only.

Inside Shoes/ Outside Shoes: Please have a pair for your child to wear inside only. Outside shoes should be something easy for them to get on and off as they have to take them off at the door independently.

We would like to Welcome Ms. Tammy back as our long term substitute teacher! She will be filling in until we can get our new teacher fully trained.

Please welcome our student teachers, Ms. Aly and Ms. Kayla from the CMCC, Early Childhood Education Program!

Dates to Remember: Monday, September: 4th we are CLOSED for Labor Day. Wednesday, September 6th Early Closing 4pm. (We close the 1st Wednesday of every month at 4pm for staff meeting & development) Thursday, September 21st Preschool Open House (inside/outside) 4-5:30pm

PICTURE DAY: SEPTEMBER 12TH

Mr. Joe is heading off to UMass this fall, we wish him well! Ms. Hannah will be a guidance counselor in training at Geiger Elementary. She will try to help us out when she can 😊

Thank you for your patience and understanding and for sharing your most precious possessions with us!
We look forward to working with each and every one of them!

Warmly, Ms. Kim, Ms. Amy, Ms. Asia, Ms. Tammy, Ms. Hannah, Ms. Aly & Ms. Kayla
